Accreditation:
Purdue University Global is accredited by The Higher Learning Commission (HLC). In addition, some programs are accredited by their individual accrediting agencies. When confirming accreditation, please note that Purdue University Global's main address is located in West Lafayette, Indiana.

Purdue Global Law School is also accredited by the Committee of Bar Examiners of the State Bar of California with its primary administrative office in Los Angeles, CA.

Additional programmatic and school accreditations and approvals can be found in the University Catalog.

Prior Names:
In April 2017 Kaplan University was acquired by Purdue University and in March 2018 officially became Purdue University Global. In November 2023 Concord Law School became Purdue Global Law School.

Credit System:
Purdue Global employs the quarter system, except for the law school which uses the semester system. Purdue Global courses taken while enrolled at Purdue Global Law School are expressed as semester credits. Law students complete 45 hours of preparation and study per semester course credit.

Some campuses converted systems in the past—refer to the Transcript Key Supplement for students enrolled at the Maine campuses prior to 2010 or at the Maryland campus prior to 2002.

Calendar System:
Purdue Global academic calendars are year-round. For California state bar purposes, the administrative years for Purdue Global Law School are the following: Winter cohort (January 1 - December 31), Spring cohort (April 1 - March 31), Summer cohort (June 28 - June 27), and Fall cohort (August 15 - August 14).

Course Numbering System:

000-099	Developmental Courses – No credit awarded
100-299	Undergraduate Lower-Division Courses
300-499	Undergraduate Upper-Division Courses
500-699	Graduate Courses
700 and above	Doctoral Courses
CL600 and above	Purdue Global Law School Courses

Module Courses:
Select courses may be divided and offered as module courses. A student has completed the equivalent of the full-credit traditional course if credit is awarded for all modules adding up to the total credits of the course. Module courses are identified by course code format:
traditional course's code+"M"+{module #}
Module courses may be individually transferred for credit at the discretion of the transferring institution.

Disqualified Credits:
Purdue Global Law School students who enrolled in the Juris Doctor program prior to the law school being granted accreditation by the Committee of Bar Examiners of the State Bar of California must complete a minimum number of credits/hours of qualifying law study to be certified to take the California Bar Exam. Students who do not complete the minimum requirements may have their credits disqualified. Prior to terms starting April 2017, Juris Doctor students who received insufficient passing grades may have half of the course credits disqualified. Disqualified credits of law study are notated with a [DQ] in the grade.

Grade Point Average (GPA):
A student's GPA is calculated by dividing the sum of the earned quality points by the sum of the attempted credits for all courses receiving a grade used in calculating the GPA. Only work completed at Purdue University Global is used in GPA calculations.

The grade received on the last repeat of a course becomes the final grade and will replace all other grades for that course in GPA calculations. When a student changes program of study, only the courses applicable to the new program are included in the GPA calculations for that program.

Withdrawal, prior learning, pass, and incomplete grades generally do not affect the GPA. Current grade definitions can be found in the University Catalog
